

# The Science Behind Prolon®

## TALKING POINTS

### 25 YEARS & 100 MM DOLLAR INVESTMENT

Prolon's nutrition technology is backed by over 25 years of research and an investment of 100 million dollars into research and development (R&D)

### PATENTS

Prolon's revolutionary formula has been awarded more than 132 patents around the world.

### CLINICAL TRIALS

Prolon's Formula has been tested in over 20 human trials at L-Nutra, University of Southern California, Stanford University, Mayo Clinic, University of Genoa Berlin University, Heidelberg University, Leiden University, and many others.

### NUTRITION BREAKTHROUGH

Prolon's technology is plant-based nutrition that allows the body to enter into a beneficial fasting state without triggering the cells' nutrient sensors to allow you to fast with food.
